

## Solution Overview

Mainland has been providing solutions that protect, optimize and manage complex IT infrastructure for over 20 years. The Mainland Exchange Readiness Assessment (ERA) reduces your time and risk transitioning your messaging infrastructure to Exchange 2010 through this proactive offering. Anticipating challenges during the planning and migration phases of your Exchange Server 2010 transition will significantly reduce support costs and minimize potential for costly downtime.

## Benefits

Some of the benefits you will receive by partnering with Mainland and leveraging our Exchange Server 2010 Readiness Assessment are:

- Access to and discussion with a Certified Exchange expert
- Peace of mind that your Exchange 2010 transition project will have significantly reduced risk
- Provides a thorough assessment of you current Exchange environment
- Provides a list of Exchange aware products and additional upgrades that may be required (for supportability)
- Lowers the cost of transitioning to Exchange Server 2010

## Deliverables

Our proactive Exchange Readiness Assessment includes:

1. Onsite consultation with a Microsoft Certified Exchange Consultant
2. Exchange Server 2010 Readiness Assessment Report (which includes):
  - Email flow and Exchange routing diagrams
  - Mailbox size limit exclusions list (quota exclusions)
  - Detailed information about:
    - The Exchange Organization and its settings
    - Active Directory settings and configuration (as it pertains to Exchange Server)
    - Exchange aware products (Blackberry, backup software, archiving software, etc...)
  - Recommendations and next steps including a list of changes needed before starting the Exchange transition project
3. Presentation and discussion on recommendations and next steps to transition to Exchange 2010

## Why Mainland

Mainland provides solutions that protect, optimize and manage corporate IT infrastructure. As the rate of change and growth in the corporate digital world accelerates, there comes a point where you need to think and act differently. We do.
